## COMMUNITY PICNIC

Due to the weather looking decidedly dodgy over the weekend & early next week we have decided to postpone our Community Picnic. **The new date is Monday 4 March 2019 from 11.30am.**

### From The PFK

We had an extremely successful hay season this year with 7,108 bales being picked up & stacked. A huge thank you to all families who took part. We really appreciate you giving up your time (and sweat!) to help raise money for the kids at Ruahine.

### 2019 Winter Sport

As you all know term 2 is the beginning of sport for our Ruahine Rockers. Last year one set of netball uniforms were purchased and hockey shirts (which we also use for Inter School events).

Our awesome PFK have agreed to purchase netball uniforms this year as these have not been replaced for a number of years. Sharlene and David Cutis of StichMe have also sponsored netball uniforms.

We are in need of more basketball shirts as we have increased our number of players this year. If anyone is interested in sponsoring basketball singlets this year with your business name/family name on them please let Mrs Watts know.

Thank you for your support.

## EPro8 Challenge 2019

A group of Year 5/6 and a group of Year 7/8 students, who have been put forward by their classroom teachers, will begin the preparation next week for an EPro8 Challenge competition later this term.

**EPro8 Challenge is an engineering and problem solving competition between schools, which offers an extension for students displaying strong problem solving capabilities.**

In the lead up to this competition, the wider selection of students will be preparing by completing practise challenges during one or two lunch breaks each week. The final team of 4 students in each age group will be selected close to the competition by assessing each student against three criteria:

- Problem solving/mathematics
- Collaboration with the team
- Resilience - the challenges take around three hours to complete

Our teams have been very successful in the past, so watch the space for more updates.
