country bus will be combined on this day.

Over the next couple of weeks, Kupe Team teachers will be screening the film 'Wonder' to all children in Room 3, Room 6 and the Senior Hub to kick off our new social science inquiry. For the rest of this term and into next term, we will be exploring: **'CITIZENSHIP: How do my actions contribute to a respectful society?'**

'Wonder' is described as "The perfect film for the entire family." Based on the beloved best-selling novel, Wonder follows the inspiring story of the Pullman family, whose youngest child, Auggie, is a boy born with facial differences. When Auggie enters mainstream elementary school for the first time, his extraordinary journey unites his family, his school, and his community, and proves that you can't blend in when you were born to stand out. Oscar winner Julia Roberts, Owen Wilson and Jacob Tremblay star in this heart warming and uplifting film.

We will be reflecting on the inspiring messages in this film about differences between people. This film is rated PG (Parental Guidance). If you would like to find out more about the film or have any concerns, please contact Kate Dare. Classes will start watching the film from next Wednesday.

Emily plans to continue teaching for all of Term one and Two before taking leave.
