The Ruahine School Board of Trustees have decided to allow calves to take part in Lamb & Calf Day this year. In order to best protect all calves being entered we will be following some new guidelines to help reduce the possible risk of the transfer of M.Bovis.

- ALL calves MUST be NAIT registered. We will be checking tags are present on the day.
- NO VAT milk/colostrum is to be brought onto the school grounds.
- Halters & lead ropes must be on calves at all times.
- Calves from different farms will need to be kept separate (once finished in the ring calves must be returned to your trailer).
- Parents/Caregivers of children with calves will need to be on-hand at all times in order to help limit contact between calves.
- A disclaimer prepared by the Board of Trustees will be added to the entry form & must be signed by parents/caregivers.

As there will be more restrictions this year to keep calves safe, we will need lots of helpers! Please let one of the PFK team know if you are able to give us a hand on the day. If we pull together we can make it a fun day for all!
