SUSPECTED MEASLES

At the time of sending this newsletter out we have had no new information regarding the suspected measles case in our school community. As soon as the results come back we will advise you via email. In the meantime we suggest you do what you feel is best for your family. Below is the Ministry of Health website information.

<https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/measles>

A Message From The Staff THANK YOU PFK

At their recent meeting the PFK decided to purchase the following for the kids here at Ruahine.

- ◆ Two new in-ground trampolines
- ◆ A new volleyball net
- ◆ New hoops & nets for the court
- ◆ New beanbags/seating for the library
- ◆ New lane ropes & swimming equipment for the school pool

The PFK are putting away money to go towards the re-surfacing of the sports court at the front of the school. They have also decided that it would be a nice idea to paint the inside of the pool building as well as organizing the calendar fundraiser, pumpkin seedling sales & Lamb & Calf Day.

We would like to say a huge thank you to our PFK for all your hard work and dedication to the kids at Ruahine.

From an extremely grateful staff.

Daffodil Day/ Book/
Movie Character
Day

The Woodlands was full of super heroes, princesses, fairies, an All Black as well as one rather cute 'granddad'! Certainly the cutest class in the school!

PFK NEWS

LAMB & CALF DAY

WEDNESDAY 30th OCTOBER

Calves must be born after 20 July 2019

Lambs must be born after 1 August 2019

Deputy Chairperson
Jo Passey
027 285 3637

The Ruahine School Board of Trustees have decided to allow calves to take part in Lamb & Calf Day this year. In order to best protect all calves being entered we will be following some new guidelines to help reduce the possible risk of the transfer of M.Bovis.

- ALL calves MUST be NAIT registered. We will be checking tags are present on the day.
- NO VAT milk/colostrum is to be brought onto the school grounds.
- Halters & lead ropes must be on calves at all times.
- Calves from different farms will need to be kept separate (once finished in the ring calves must be returned to your trailer).
- Parents/Caregivers of children with calves will need to be on-hand at all times in order to help limit contact between calves.
- A disclaimer prepared by the Board of Trustees will be added to the entry form & must be signed by parents/caregivers.

As there will be more restrictions this year to keep calves safe, we will need lots of helpers! Please let one of the PFK team know if you are able to give us a hand on the day. If we pull together we can make it a fun day for all!
